PARALLEL ACTIVITIES | APRIL 18

09:30am III Meeting of the BH2C Mobility Usage Vertical (private meeting).

MATCHMAKING

MUBIL Mobility Expo is two days dedicated to networking and the generation of new business relationships and agreements.

To this end, the trade fair organisers provide exhibiting companies and visitors with a matchmaking platform for arranging an agenda of meetings that take place during the course of the fair.

Access to this platform is by individual accreditation. This matchmaking platform will remain open for one week after the fair to interact with the contacts made during the fair.
